Part I Section 302.01 Single-Asset Entity ..... 3

GLOSSARY ..... 5

## 302.01 Single-Asset Entity

### Requirements

You must ensure:

- the Borrower is a domestic single-asset entity formed for the sole purpose of owning the Property;
- if the Borrower is ultimately owned by foreign persons or entities, it has at least 1 domestic tier of ownership; and
- you review
  - the Borrower's complete formation documents, and
  - all amendments or restatements.

### Guidance

As you analyze the Borrower and its organizational documents to confirm that it has been a single-asset entity since formation, consider the following questions:

- Can the Borrower acquire any additional real property, personal property, or assets?
- Can the Borrower participate in any business other than managing and operating the Property?
- Are the Borrower's assets or funds commingled with anyone else's? If so, can these assets or funds be separated and identified?
- Are the Borrower's financial statements, accounting records, and other organizational documents maintained with anyone else's?
- Has the Borrower assumed, guaranteed, or obligated itself to cover anyone else's liabilities?

### Requirements

If the Borrower owns more than a single asset, the Borrower may still qualify as a single asset entity if you:

- Obtain an operating statement for each real property owned.
- Obtain proof that the Borrower has no existing debt secured by a Lien on any of the Borrower's real property, other than a Mortgage Loan

purchased by Fannie Mae.

- Obtain proof that no direct or indirect equity interest in the Borrower is subject to mezzanine financing.
- Ensure that the Loan Documents prohibit the Borrower from
  - acquiring any additional debt (except for supplemental debt on existing Fannie Mae loans),
  - increasing any existing debt, or
  - acquiring any additional real property.

### Guidance

As you analyze the Borrower that owns more than a single asset, you should consider whether its other real estate assets are only

- multifamily properties, or
- other types of real estate that do not pose an environmental risk to the Borrower.

# Glossary
