## **209.04** Additional Requirements for Monthly Remittance for Security Transactions

### **209.04A** Amount of Security Monthly Remittance

The Security monthly remittance is the total of the Security Interest Distribution and Security Principal Distribution Amounts. For each month, the Security monthly remittance must include the scheduled principal payment due on the first day of that month plus a full month's interest (calculated at the Security Pass-Through Rate) due in arrears for the previous month. It also may include unscheduled prepayments of principal.

The Servicer is required to pass through to Fannie Mae in each Security monthly remittance, the full scheduled amounts of P&I, regardless of whether such amounts actually have been collected from the Borrower. A full month's interest (calculated at the Security Pass-Through Rate) must be included in each Security monthly remittance, regardless of whether there has been any partial or full prepayment during the month.

### **209.04B** Security Interest Distribution Amount

The Security Interest Distribution Amount due is based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on the first of the previous month. For example, the Security Interest Distribution Amount due on November 18 would be based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on October 1 (not November 1).
